

FACEBOOK + INSTAGRAM AD BLUEPRINT

TARGETED REACH

Reach only qualified shoppers with high net worth

QUALIFIED LEADS

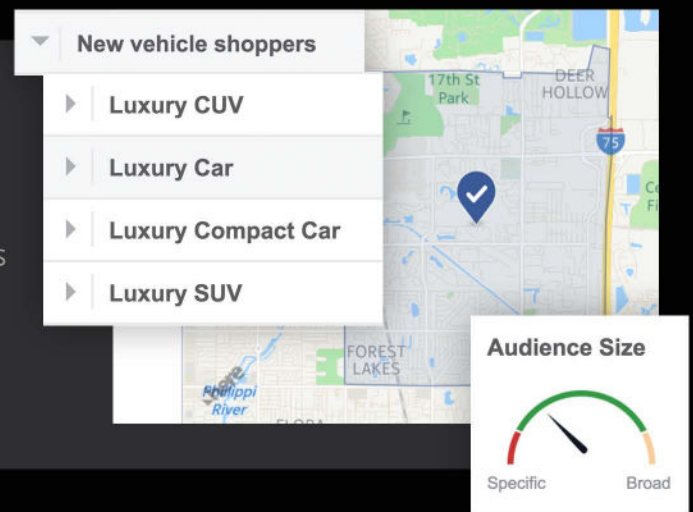

Deliver high closing, 1st party leads, in real-time to your CRM

100% RELEVANCE

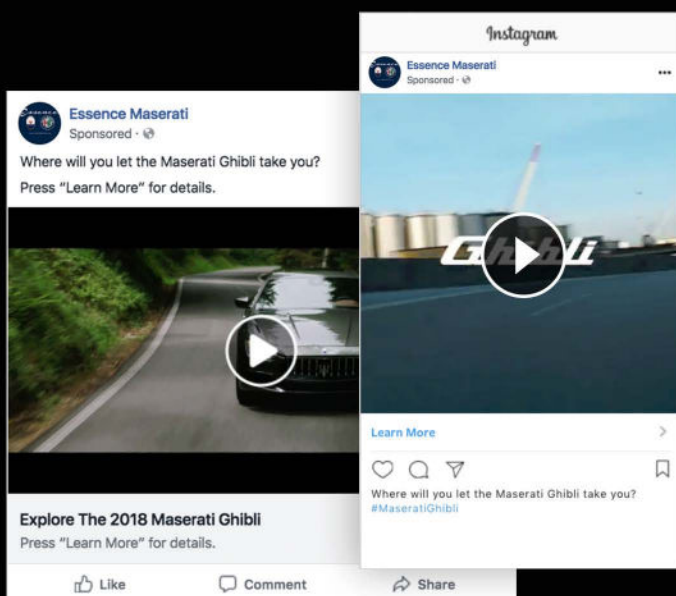

Stay top-of-mind throughout the sales cycle

1. Build Your Audience

- + In-Market Shoppers with high net worth
- + Shoppers interested in Luxury Vehicles + Owners of competitive makes (Porsche, Mercedes)
- + People who look like your current customers, as well as Leads and Prospects in your CRM

The interface shows a dropdown menu for "New vehicle shoppers" with options: "Luxury CUV", "Luxury Car", "Luxury Compact Car", and "Luxury SUV". To the right is a map showing a location in Forest Lakes, FL. Below the map is an "Audience Size" gauge with a needle pointing towards the "Broad" end, ranging from "Specific" to "Broad".

The image shows two ad examples. On the left is a Facebook ad titled "Explore The 2018 Maserati Ghibli" with a video thumbnail of the car on a road. On the right is an Instagram ad titled "Where will you let the Maserati Ghibli take you?" with a video thumbnail of the car's interior and a "Learn More" button.

Engage & Activate Your Audience 2.

- + Target qualified shoppers with OEM-style ads to determine who is interested in your brand
- + Display Vehicle Specials and "Browse Our Inventory" ads and bucket those who engage

3. Drive Qualified Leads

- + Leads sent in real-time to your CRM using ADF/XML format
- + Easily track leads, shows, and sales with clearly tagged lead sources
- + Use Facebook Offline Events to match and attribute sales
